# OUR VISION

**Worship** - We are called to worship our Savior Jesus Christ fervently and intimately, presenting ourselves as living sacrifices in prayer, worship and lifestyle .

**Body Life** - We are called to minister to fellow believers, in and through service and training and particularly in the context of small groups where care, ministry, prayer, and study can occur on a more intimate level.

**Missions** - We are called to manifest the love of God through service and evangelism, first to the local community and then to the world.
