# MISSION FOCUS

Quezadas

**Ellie and Lila serving in Oaxaca, Mexico.**  
**Notes of encouragement to [quezadaclan@gmail.com](mailto:quezadaclan@gmail.com)**

Ellie and Lila just finished hosting a Canadian work team from Langley and are really looking forward to bringing other teams to Oaxaca in the near future (CFC?!). They are currently working really hard to prepare both ministries (recording studio and Casa Compasiva) for the upcoming transition. By Christmas they expect to be situated in Point Roberts at their new home base. While this will mean a change in location and daily operations, they will continue to direct and manage ministry in Oaxaca from a distance...with frequent trips to Oaxaca for projects, teams, and consultations. **Please pray for peace** for both them and their girls as they all face these massive imminent life-changes!

# COMING UP
