AGM Report

It was unanimously approved to authorize the Board to complete the building and siding/window project with access as needed to a \$250K loan. Please pray as to how you can be apart of minimizing the loan through special giving. To contribute indicate "Building Project" or if giving online look for drop down option.

We are honoured to be sending this wonderful team where they will work together with Mike Lim. The focus will be on encouraging Mike and his church, ministering in village churches, and participating in street evangelism/Bible distribution and food hamper ministry. **To contribute indicate "Tuxtla Trip" on your tithe envelope**

Thank you for praying for the team and Mike as he hosts them.

"Introducing The International Christian Embassy of Jerusalem" CFC has stood with ministry in Israel for almost 40 years. With Rawling's retirement, we will now be committing monthly mission support to ICEJ. The International Christian Embassy Jerusalem (ICEJ) was birthed in 1980 through a Canadian couple Merv & Merla Watson; friends of Jay & Meridel ICEJ has three key mandates. Supporting Israel: Aid projects & supporting Jews who have made (Aliyah) adjust to their new life in Israel. Teaching Truth: ICEJ educates Christians about Israel's unique calling, the social and political challenges. The annual Christian Feast of Tabernacles brings thousands of pilgrims worldwide to Jerusalem for worship, prayer, teaching, touring and community outreach. In Canada regional teams offer free seminars on 'Understanding Israel'. Promoting Justice: We confront anti-Semitism worldwide through accurate news reports and education. Palestinian Christians in Palestinian authority areas need help, while Israel has a right to live safely in its God-promised land.

Watch the Missions Board by the entrance for updates and more details.
